YOUTH DEVELOPMENT

Youth programs at the Y increase the odds of success as kids learn values like respect, teamwork, and responsibility in programs as varied as summer day camp, basketball, swim lessons, mentoring, and football.

THEIR POTENTIAL

We are a powerful association of men, women, and children joined together by a shared commitment to nurture the potential of kids, promote healthy living, and foster a sense of social responsibility. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health, and our neighbors.

STRENGTHEN OUR COMMUNITY

Imagine the many ways there are to make a difference in the lives of people in our community. The Y's mission of building strong kids, strong families, and strong communities is an unparalleled cause.

Annual Sustaining Campaign

When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood. Every day we work side by side with our neighbors in our community to make sure that everyone, regardless of age, income, or background, has the opportunity to learn, grow, and thrive. In 2018:

- Over \$156,000 in scholarships were given.
- Over 300 youth received Y memberships.

These are local kids, families, seniors, and adults with special needs benefiting from our Annual Sustaining Campaign.

SOCIAL RESPONSIBILITY

HEALTHY LIVING

Improving the nation's health and well-being is a priority for the Y. The Y brings families closer together, encourages good health, and fosters connections through fitness, sports, fun, and shared interest.
